

Horasis Asia Meeting

8-10 July 2026, Hengqin/Macau, China

a Horasis leadership event

inspiring our future

Horasis Asia Meeting

8-10 July 2026, Hengqin/Macau, China

Tianmu Qintai Conference & Exhibition Center, Zhiyin North Road, Hengqin

广东省珠海市香洲区知音北道与濠江路交叉路口南侧

Hotel Indigo Zhuhai Hengqin (珠海横琴英迪格酒店), located within Tianmu Qintai

No. 313, Zhiyin South Road, Hengqin 广东省珠海市香洲区横琴镇知音南道横琴天沐琴台313

a Horasis leadership event

Co-chairs:

Carlos Cid Alvares	Chief Executive Officer, Banco Nacional Ultramarino, Macau SAR
Rohit Bansal	Chief Communications Officer, Reliance, India
Claude Béglié	Chairman, Symbioswiss, Switzerland
Lisa Botos	Founding Partner, Private Partners & Co, Singapore
Anson Chan	Chairman and Managing Director, Bonds Group of Companies, Hong Kong
Michael Gale	Group Chief Executive Officer, Al Liwan Group, UAE
Matilda Ho	Founder and Managing Director, Bits x Bites, China
Viveka Kalidasan	Founder and Chief Executive Officer, River Ventures, Singapore
Rajive Kaul	Chairman, Nicco Group, India
Roger King	Founder and Chairman, ODS Holdings Inc., Hong Kong
Bill Kung	Founder and Chief Executive Officer, Ecovane Environmental, China
Bonnie Liao	Executive Director, Social Enterprise Research Academy, Hong Kong
Skeikh Abdulla Zayed bin Saqr Al Nayhan	Chairman, Abdulla Bin Zayed Investment Group, UAE
Nguyen Quang Huan	Chairman, Halcom, Vietnam
Xiaoyin Qu	Founder, Skillboss.co, USA
David Pan	Executive Dean, Schwarzman College, Tsinghua University, China
Venkata Ramana	Founder and Chief Executive Officer, AVERA, India
Vinod Sekhar	Chairman, Petra Group, Malaysia
Charles Tang	President, Brazil China Chamber of Commerce, Brazil
Wang Dong	Executive Director, Institute for Global Cooperation and Understanding, China
Wang Huiyao	Founder, Center for China and Globalization, China
Wilfred Wong Ying-wai	Executive Vice Chairman & Exec. Director, Sands China, Macau SAR
Xiang Bing	Founding Dean, Cheung Kong Graduate School of Business (CKGSB), China
Michael Yeoh	President, KSI Strategic Institute for Asia Pacific, Malaysia
Zhang Yuxia	Chair, Zhongcai Financial New Media Fund, China

Programme

Wednesday, 8 July <i>Tianmu Qintai</i>	Thursday, 9 July <i>Tianmu Qintai</i>	Friday, 10 July
	08.30–09.00 Coffee & Tea	
	09.00–10.00 Plenary Technology and Global Leadership	09.00–09.45 Bus transfer to Macau
	10.00–11.30 Dialogue Sessions – Asia’s Collaborative Ascent – AI Innovation – Entrepreneurial Dynamism – Financial Markets – Energy Transition	10.00–12.00 Macau In-Focus Opportunities in Macau
From 11.30 Registration	11.30–11.45 Break	
	11.45–13.00 Dialogue Sessions – Southeast Asia’s Moment – Asian Trade Architecture – Asia’s Digital Transformation – Smart Infrastructure Development – Asia’s Full Human Capital Potential	
13.00–15.00 Welcome Lunch Welcome by Hengqin and Macau	13.00–13.30 Lunch Networking Lunch	12.30–14.00 Lunch Served at The Londoner Macau
15.00–16.00 Opening Plenary Asia and World Economic Outlook	13.30–14.30 Plenary 5th Industrial Revolution	14.00–15.30 Afternoon at Leisure
	14.30–16.00 Dialogue Sessions – China’s New Growth Paradigm – Asia’s Shared Future – Asia’s Tourism and Entertainment – Asian Innovation Ecosystems – Pioneering Learning	
16.00–16.30 Break	16.00–16.30 Break	15.30–16.00 Transfer to MGM Macau
16.30–17.30 Plenary SDGs & High-Quality Development	16.30–18.00 Dialogue Sessions – Asia’s Next Technology Frontiers – Asia 2076 – Creative Asia – Asian Family Enterprises – Manufacturing Metamorphosis	16.00–17.00 Poly MGM Museum Private tour at Poly MGM Museum
		17.00–17.30 Transfer to MGM Cotai
17.30–18.30 Plenary Reimagining Globalization	18.00–19.00 Plenary Charting Asia’s Path Forward	17.30–19.00 Dinner (MGM Cotai)
18.30–21.00 Opening Dinner Asian Unity and Shared Future	19.30–22.00 Closing Dinner Celebrating Asia	19.30–20.50 Show “Macau 2049” (MGM Cotai)

Partner Organizations

Sands China is a leading developer, owner and operator of multi-use integrated resorts and casinos in Macao. Sands China owns Sands Macao, The Venetian Macao, The Plaza Macao, The Parisian Macao, and The Londoner Macao.

<https://www.sandschina.com>

MGM China Holdings is a leading developer, owner and operator of integrated resort and gaming properties in Macau. The company is the holding entity of MGM Grand Paradise, one of Macau's six gaming concessionaires, and owns and operates two flagship luxury resorts: MGM MACAU on the Macau Peninsula and MGM COTAI in Cotai.

Programme

Wednesday, 8 July 2026

Arrival in Hengqin, via Hong Kong, Macau or Zhuhai airport

Check-in at Hotel Indigo Zhuhai Hengqin (located within Tianmu Qintai)

From 11.30 Registration (Tianmu Qintai Conference & Exhibition Center)

13.00-15.00 Welcome Lunch (Foyer)

Horasis welcome delegates to the 10th annual Horasis Asia Meeting, marking a decade of sustained pan-Asian dialogue and cooperation. Hengqin's unique position, closely linked to Macau and located just minutes away, reflects a new model of regional integration that combines innovation, openness, and cross-border connectivity. As a bridge between Mainland China and the international networks of Macau, Hengqin offers a living example of how Asia is experimenting with new economic zones, governance models, and innovation ecosystems. How can such hybrid regions shape Asia's next phase of growth and cooperation? What lessons from Hengqin and Macau can inform broader models of cross-border integration across Asia?

• **Frank-Jürgen Richter**, Chairman, Horasis, Switzerland

15.00-16.00 Opening Plenary: Asia and World Economic Outlook (MuHe Room)

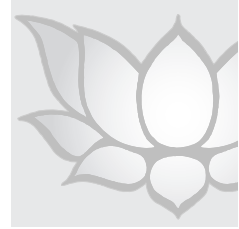

Despite persistent global headwinds and structural realignments, Asia continues to demonstrate remarkable economic resilience and adaptability. Asia's sustained commitment to advanced manufacturing, supply chain modernization, and real-economy resilience positions the region as the world's anchor of stable and high-quality growth. How are Asian nations navigating the complexities of global economic transformation while sustaining momentum and competitiveness? And how might Asia's growing economic influence be leveraged to build a more stable and prosperous world economy?

- **Carlos Cid Alvares**, Chief Executive Officer, Banco Nacional Ultramarino, Macau SAR
- **Viveka Kalidasan**, Founder and Chief Executive Officer, River Ventures, Singapore
- **Venkata Ramana**, Founder and Chief Executive Officer, AVERA, India
- **Xiang Bing**, Founding Dean, Cheung Kong Graduate School of Business (CKGSB), China

Chaired by

- **Angela Li**, News Editor and Contributing Host, Phoenix TV, Hong Kong SAR

16.00-16.30 Contact Break

16.30-17.30 **Plenary: SDGs as Catalyst for High-Quality Development** (MuHe Room)

As Asian economies embrace the UN Sustainable Development Goals, a new paradigm of high-quality development is emerging – one that places environmental stewardship, social progress, and transparent governance at the heart of long-term value creation – building a rules-based, open, and constructively stable international economic order that delivers shared prosperity. How can Asian business and financial institutions accelerate the integration of SDGs into core economic strategy? And how can capital markets better channel investment toward a model of development that is both prosperous and sustainable?

- **Lisa Botos**, Founding Partner, Private Partners & Co, Singapore
- **Bill Kung**, Founder and Chief Executive Officer, Ecovane Environmental, China
- **Bonnie Liao**, Executive Director, Social Enterprise Research Academy, Hong Kong SAR
- **Nguyen Quang Huan**, Chairman, Halcom, Vietnam

Chaired by

- **Suneet Puri**, Regional Head China and Hong Kong, Tata Consultancy Services (TCS), Hong Kong SAR

17.30-18.30 **Plenary: Reimagining Globalization: Asia's Vision for an Open World** (MuHe Room)

As some parts of the world retreat toward protectionism and fragmentation, Asia is emerging as a powerful advocate for open, inclusive, and mutually beneficial global exchange. The region's deepening economic integration, digital connectivity, and expanding trade architecture are generating new models of cooperation that can reinvigorate globalization for a new era. How can Asia's growing economic gravity help sustain and reshape a rules-based global trading order? And what new frameworks of regional and international cooperation can ensure that globalization delivers shared prosperity in an increasingly complex world?

- **Roger King**, Founder and Chairman, ODS Holdings Inc., Hong Kong
- **Vinod Sekhar**, Chairman, Petra Group, Malaysia
- **Michael Yeoh**, President, KSI Strategic Institute for Asia Pacific, Malaysia
- **Wang Huiyao**, Founder, Center for China and Globalization, China

Chaired by

- **Jake Yu**, Global Managing Partner, Peregrine Ventures, USA

18.30-21.00 **Welcome Dinner: Celebrating Asia's Unity and Shared Future** (Tianmu Room)

In an evening of cultural confluence and strategic dialogue, participants will explore the rich tapestry of Asian economic and cultural cooperation. The dinner celebrates the region's shared aspirations for prosperity, innovation, and sustainable development, while highlighting Hengqin and Macau's role as catalysts for Asian economic integration. Through meaningful exchanges and connections, the gathering will strengthen pan-Asian collaboration and foster deeper engagement with global markets through Hengqin's strategic gateway.

Thursday, 9 July 2026

08.30-09.00 Coffee & Tea upon Arrival

09.00-10.00 Plenary: Technology as Asia's Catalyst for Global Leadership (MuHe Room)

Asia's technological ascendancy is redefining global innovation paradigms and competitive dynamics. From quantum computing to artificial intelligence, Asian institutions and enterprises are pushing the boundaries of technological possibility, creating new vectors for economic growth and social development. How might Asia's technological leadership reshape global innovation ecosystems? What unique advantages does Asia's digital infrastructure offer in accelerating technological advancement? How can cross-border collaboration amplify the impact of Asian technological innovation?

- **Rohit Bansal**, Chief Communications Officer, Reliance, India
- **Michael Gale**, Group Chief Executive Officer, Al Liwan Group, UAE
- **Matilda Ho**, Founder and Managing Director, Bits x Bites, China
- **Xiaoyin Qu**, Founder, Skillboss.co, USA

Chaired by

- **Rajive Kaul**, Chairman, Nicco Group, India

10.00-11.30 Dialogue Sessions

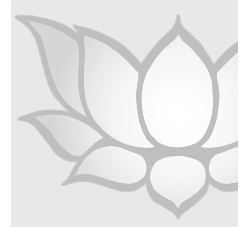

Asia's Collaborative Ascent (Room 3)

Across Asia, deeper economic integration, infrastructure connectivity, and expanding trade and investment links are reshaping the region's global role. From regional frameworks to cross-border innovation corridors, collaboration is increasingly driving competitiveness while allowing diverse economic models to coexist. How can Asia strengthen cooperation to enhance its collective influence in the global economy? What forms of collaboration best balance regional integration with national priorities and strategic autonomy?

- **Carolina Halladin**, Founder and Chair, Halladin Trade Advisory, Poland
- **Abdullah Khurram**, Chief Executive Officer, Foresight Quotient, Singapore
- **Quyen Nguyen**, Founder and Chief Executive Officer, Sharework, Vietnam
- **Janet Pau**, Executive Director, Asia Business Council, Hong Kong SAR
- **Roopen Roy**, Founder and Chief Executive Officer, Sumantrana, India
- **Tevfik Kaan Soyak**, Chief Executive Officer, SoyakTech International, Türkiye
- **Fred Wang**, Chairman, Salon Media, Hong Kong SAR

Chaired by

- **Bhaskar Reddy**, Chief Executive Officer, Growth Box, India

AI Innovation: Asia's Strategic Imperative (Room 4)

Asian nations are asserting themselves at the frontier of artificial intelligence – from foundational research to practical applications transforming industries, cities, and societies. The Greater Bay Area's advanced manufacturing ecosystem and its approach to balanced AI governance offer a compelling model for responsible industrial AI deployment at scale. How is Asia shaping the next generation of AI innovation and governance frameworks? And how can cross-border collaboration across the region accelerate AI development while ensuring it serves human progress?

- **De Kai**, Professor of Computer Science and Engineering, The Hong Kong University of Science and Technology, Hong Kong SAR
- **Xuebin Gu**, Founder and Chief Executive Officer, WeMeet AI, Singapore
- **Matilda Ho**, Founder and Managing Director, Bits x Bites, China
- **Leo Lee**, Chief Executive Officer and Founder, Xiaoniu, China
- **Li Zhongtao**, Chief Executive Officer, Capsio Technology Co., China
- **Minesh Pore**, Founder, Sourcing GPT, USA
- **Srikar Reddy**, Executive Vice Chairman, Sonata Software, India
- **Jerry Zhu**, Founder, Zaihui, Singapore

Chaired by

- **Carla Maldonado**, Founder, MV Global Advisory, Switzerland

Asia's Entrepreneurial Dynamism: The New Vanguard (Room 5)

The entrepreneurial landscape across Asia is experiencing unprecedented transformation, driven by abundant venture capital and maturing innovation ecosystems. A new generation of entrepreneurs is leveraging sophisticated technologies to address both regional imperatives and global opportunities, while developing uniquely Asian approaches to startup development. How might Asia's entrepreneurial evolution reshape global innovation patterns? What distinctive characteristics define successful Asian startup ecosystems?

- **Edgar L Bullecer**, Co-Founder and Managing Trustee, The Paglas Group, The Philippines
- **Lise Chew**, Founder and Chief Executive Officer, The AdvantEdge Group, Singapore
- **Evelyn Chue**, Founder and Chair, People Psyence, Malaysia
- **Aftab Hasan**, Founder and Chairman, Global Association of InsurTech Professionals, UAE
- **Sebastian Man**, Chairman, Chungmei Industries, Hong Kong SAR
- **Mark Paul I. Ramos**, Partner, PCMD and Co., The Philippines

Chaired by

- **Ralf Hirt**, Founder, CovQ, USA

Future of Asian Financial Markets (Room 6)

Asian financial markets are undergoing profound transformation, driven by digital innovation, regulatory evolution, and changing investor preferences. The emergence of new financial instruments and trading platforms is democratizing market access and fostering financial inclusion. How will technological innovation reshape Asian capital markets? What role might decentralized finance play in the future of Asian financial services? How can regulatory frameworks balance innovation with stability?

- **Thomas Ao**, Partner, Mindfulness Capital, Hong Kong SAR
- **Stefano Cavalleri**, Partner, Cavalleri Law Firm, Italy
- **Reynaldo Espineli**, Managing Partner, Boalt Capital Partners, Hong Kong SAR
- **Alberto Furger**, Founder and Chief Executive Officer, Trident Treehouse Consultancy, Indonesia
- **Amit Jain**, Co-founder, Ashika Global Family Office, India
- **Eduardo Buisson Loureiro**, Managing Partner, Loureiro Law Office, Macau SAR
- **Pang Yilin**, Entrepreneur-in-Residence, China
- **Jeffrey Wong**, Founder and Chief Executive Officer, Spring Gate Capital, Singapore

Chaired by

- **José Carlos Matias**, Chief Executive Officer, Macau Business, Macau SAR

Pioneering Asia's Energy Transition (Room 7)

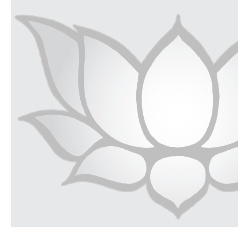

Asian nations are spearheading global energy transition initiatives, developing innovative solutions for renewable energy deployment and storage. The region's commitment to sustainable energy is driving technological advancement and policy innovation. How might Asia's energy transition strategies influence global sustainability efforts? What unique challenges and opportunities emerge from Asia's diverse energy landscape? How can international cooperation accelerate clean energy adoption?

- **Nobumitsu Akai**, Director, JFR Group, Japan
- **Ruth P. Briones**, Chair and Chief Executive Officer, Greenergy Solutions, The Philippines
- **Ananda Setiyo Ivannanto**, Chief Executive Officer, A-Wing Group, Indonesia
- **Edan Lee**, Managing Director, Olympus Capital Asia, Hong Kong SAR
- **Stanley Loh**, Chief Executive Officer, World Capacity Builder, Canada
- **Sunny Zhang**, Vice President, International Green Economy Association, China
- **Zhou Jinfeng**, President, World Academy of Sustainable Development, China

Chaired by

- **Karthik Kuchipudi**, Founder and Chief Executive Officer, Metawerk, Australia

11.30-11.45 Contact Break

11.45-13.00 Dialogue Sessions

Southeast Asia's Moment: Powering Regional and Global Growth (Room 3)

Southeast Asia is emerging as a central driver of global growth, combining a young population, expanding consumer markets, and deepening regional integration. Manufacturing diversification, digital adoption, and intra-ASEAN connectivity are strengthening the region's role in global trade and investment flows. How will Southeast Asia's growth trajectory reshape supply chains and capital allocation worldwide? What strategic choices can help ASEAN economies convert momentum into long-term resilience and shared prosperity?

- **Hazel Bernadette Cruz**, President, Link Philippines International, The Philippines
- **Giana Lin**, Founding Partner, Fuguan Law Firm, China
- **Joseph Ely Medina**, Chief Executive Officer, Jomed Group, The Philippines
- **Lennise Ng**, Chief Executive Officer, Borong, Singapore
- **Oliver Schaaf**, Managing Director, Realog Consulting, Germany
- **Manik Shaw**, Chief Executive Officer, Eversunshine Capital Group, Singapore

Chaired by

- **Ling Xi**, Co-Founder & Strategy Partner, Nexara Edge, Malaysia

Asian Trade Architecture in Transition (Room 4)

Asia's trade landscape is evolving through overlapping frameworks such as RCEP, CPTPP, bilateral agreements, and the Belt and Road Initiative, reshaping connectivity, infrastructure, and economic alignment across the region. The coexistence of these pathways reflects a shift from a single trade order toward a more plural, networked model of integration. How will multiple trade architectures interact to shape Asia's long-term economic coherence? What role can infrastructure, digitalization, and regulatory coordination play in strengthening resilient and efficient Asian trade networks?

- **Eric Fung**, Director, Coins.ph, Hong Kong SAR
- **Richard Weixing Hu**, Professor of Politics and Public Policy, University of Macau, Macau SAR
- **Ameer Ibrahim**, Chairman, Future Governance Forum, United Kingdom
- **Walter Jennings**, Chief Executive Officer, Asia Insight Circle, Hong Kong SAR
- **David Kovacs**, Managing Director, Beam Reach Partners, China
- **Felix Valdivieso Gonzalez**, Chairman of IE China Observatory, IE University, Spain
- **Sydney Zhao**, Director, WTW, China

Chaired by

- **Alexander Wan**, Group China Adviser, Pacific Century Group, Hong Kong

Spearheading Asia's Digital Transformation (Room 5)

Asia stands at the forefront of digital innovation, with its dynamic startup ecosystem and rapid fintech adoption. The region's digital economy is witnessing unprecedented growth, driven by a young, tech-savvy population and supportive regulatory frameworks. How will Asia's digital evolution reshape traditional business models? What unique opportunities emerge from the region's diverse digital marketplace? How might regional cooperation accelerate digital infrastructure development?

- **Nishant Behl**, Founder, EMB Global, India
- **Christine Cheng**, Senior Vice President, SMYZE, Switzerland
- **John Cheuck**, Managing Director, Ant Global Partners, Hong Kong SAR
- **Sunnie Li**, Founder and Chief Executive Officer, Atlas RWA, USA
- **Ken Soh**, Chief Executive Officer, Athena Dynamics, Singapore
- **Pofi Putri Utami**, Head of Strategy and Change Management, National Nutrition Agency, Indonesia

Chaired by

- **Nikolaos Mavridis**, Startup Mentor, Massachusetts Institute of Technology (MIT), USA

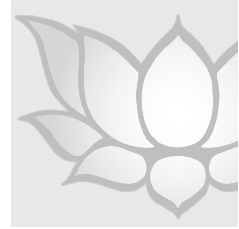

Smart Infrastructure Development (Room 6)

The development of smart infrastructure across Asia represents a convergence of physical and digital innovation. From smart cities to intelligent transportation systems, Asian nations are pioneering new approaches to infrastructure development. How will smart infrastructure reshape urban experiences? What role can public-private partnerships play in accelerating infrastructure innovation? How might cross-border collaboration enhance infrastructure effectiveness?

- **Christopher R. Burch**, Independent Director, Ispire Technologies, China
- **Marshall Cobb**, Co-Chief Executive Officer, Up Modular Solutions, Australia
- **Sidhartha Gandhi**, Director, AFII Capital Partners, Germany
- **L. Mychal Jefferson II**, Chairman, Hamerslag Private, USA
- **Murthy R Nuni**, Managing Partner, Marshal Funds, Vietnam
- **David Wang**, Chief Executive Officer, Global Resources China Company, Singapore

Chaired by

- **Thanos Mitrelias**, Founding Director, Cambridge BioMagnetics, United Kingdom

Unlocking Asia's Full Human Capital Potential (Room 7)

Asia's next wave of economic growth will depend on its ability to mobilize the full depth and diversity of its human talent - across communities, generations, and backgrounds. As economies modernize and labor markets evolve, releasing untapped pools of skill, creativity, and entrepreneurship has become a strategic imperative for sustainable competitiveness. How can Asian economies design policy and corporate environments that draw on the widest possible range of human talent? And how does maximizing participation across all segments of society strengthen Asia's long-term economic resilience?

- **Yuki Aizawa**, APAC Director, Women in Tech, Malaysia
- **Connie D. M. Allsopp**, Founder, The World's Registrar, Canada
- **Hua Kening**, Co-Founder, Voices Education, China
- **Yurong Li**, Chief Executive Officer, Lipatech, USA
- **Eloisa Quirolgico**, Director, Medical Center Paranaque, The Philippines
- **Lucy Tong**, Team Lead, Abundance Education, China
- **Ying Wong**, Founder and Chief Executive Officer, B.Peachy, Macau SAR

Chaired by

- **Wang Hong**, Founder and President, China Women School and Future China Society, China

13.00-13.30 Networking Lunch (Foyer)

Sharing ideas and B2B insights in an informal setting.

13.30-14.30 Plenary: Asian Horizons in the Age of the 5th Industrial Revolution (MuHe Room)

As the 5th Industrial Revolution unfolds, Asia's unique blend of technological dynamism and deep human traditions positions the region as a natural laboratory for exploring where machine intelligence and human capacity can best complement one another. The convergence of ancient collective wisdom with cutting-edge innovation offers the world new models for building economies that are both highly advanced and deeply humane. How is Asia pioneering human-centered approaches to technological transformation? And how can Asia's experience inspire a global 5th Industrial Revolution that is both inclusive and sustainable?

- **Claude Béglé**, Chairman, SymbioSwiss, Switzerland
- **De Kai**, Professor of Computer Science and Engineering, The Hong Kong University of Science and Technology, Hong Kong SAR
- **Wilfred Wong Ying-wai**, Executive Vice Chairman & Executive Director, Sands China, Macau SAR
- **Zhang Yuxia**, Chair, Zhongcai Financial New Media Fund, China

Chaired by

- **Christina Lim**, Founder and Chief Strategist, ChrisSpeak, Singapore

14.30-16.00 Dialogue Sessions

China's New Growth Paradigm (Room 3)

China's economic transformation is entering a new phase characterized by indigenous innovation, domestic consumption, and sustainable development. The nation's dual circulation strategy represents a sophisticated approach to balancing domestic resilience with global engagement. How will China's evolving economic model influence regional trade dynamics? What implications does China's technological self-reliance strategy hold for global supply chains? How might China's green technology initiatives reshape global sustainability efforts?

- **Greg Crichton**, Managing Director, Greater Asian Advisors, Hong Kong SAR
- **Elsie Leung**, Senior Corporate Affairs Strategy Advisor, Hong Kong SAR
- **Peter C. Pang**, Chairman and Managing Partner, IPO Pang Shenjun, China
- **Isabella Qin**, Director, United Nations Association UK Westminster, United Kingdom
- **Phil Ren**, President, Hong Kong United Resources Group, China
- **Jun Yu**, UMDf Chair Professor of Finance and Economics, University of Macau, Macau SAR
- **Vincent Zheng**, Founder and Chief Executive Officer, Unian Brands Group, China

Chaired by

- **John Teng**, Chief Representative, PBEC, Hong Kong SAR

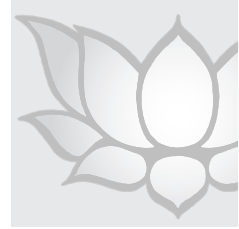

Building Asia's Shared Future: Cooperation in a Changing World (Room 4)

Asia stands at a pivotal moment of transformation, shaped by evolving partnerships, dynamic economic ties, and a growing spirit of regional solidarity. As nations expand their roles on the world stage, new opportunities emerge to deepen collaboration and build frameworks that serve Asia's collective prosperity. How can Asian nations strengthen multilateral institutions to better reflect the region's diversity and shared ambitions? And how can Asia's deep economic interdependence serve as a foundation for lasting peace and inclusive growth?

- **Kent Oliver Bhupathi**, Founder, Epsilon Executive Education, India
- **Billy Chan**, Chairman, Australian Chamber of Commerce in Macau, Macau SAR
- **Zsuzsa Anna Ferenczy**, Member of Academic Council, Wilfried Martens Centre for European Studies, Belgium
- **Thaha Muhammed Abdul Kareem**, Chief Strategic Advisor, Wathnan Holding, Qatar
- **Queen Modestus**, Director, CECADS, China
- **Veronica Shim**, Head of Wealth Management, Al Liwan Capital, UAE
- **John West**, Executive Director, Asian Century Institute, Australia

Chaired by

- **Jouko Ahvenainen**, Chairman, Mission Grey, Monaco

Asia's Tourism and Entertainment Economy: Experience as Growth Engine (Room 5)

Tourism, culture, and entertainment are becoming strategic pillars of economic diversification across Asia, blending hospitality, creativity, technology, and urban development. The Hengqin–Macau ecosystem illustrates how destinations can evolve from single-sector models into integrated experience economies with regional and global reach. How can Asia's tourism and entertainment industries generate sustainable growth beyond cyclical travel demand? What lessons from integrated destinations can help cities and regions balance scale, quality, and long-term resilience?

- **Patricia Cheong**, Founder and Managing Director, M.M Marketing Communications, Macau SAR
- **Nara Lee**, Founder and Director, Brainchild Partners, Korea
- **Glenn McCartney**, Associate Professor in International Integrated Resort Management, University of Macau, Macau SAR
- **Habib Paracha**, Founder, Centurion Entertainment, Pakistan
- **Yuichiro Sato**, Chief Operations Officer, NTTDATA eCommerce Solutions, Malaysia
- **Jason Wang**, Chief Operating Officer, Global Tourism Economy Forum, Macau SAR
- **Gerald Xia**, Chairman, Suzhou Eternal Smart Manufacturing Technology, China

Chaired by

- **Elaine Yu**, Founder, Euro Asia Art Association, United Kingdom

Unleashing the Power of Asian Innovation Ecosystems (Room 6)

Asian innovation ecosystems are fostering unprecedented technological advancement and entrepreneurial growth. The convergence of academic research, corporate innovation, and startup dynamism creates unique opportunities for value creation. How might Asian innovation ecosystems influence global technology development? What role can cross-border collaboration play in accelerating innovation? How should policy frameworks evolve to support innovation ecosystem growth?

- **Manoj Gursahani**, Co-founder, Vera Healthcare Technologies, India
- **Peter Helis**, International Executive Representative, Invest Guangzhou, China
- **Hui Wu**, Founder, International Co-Innovation Center for Advanced Medical Technology, China
- **Shin Ito**, Chief Executive Officer, iKoyoo Inc., Japan
- **Midhun A Kunj**, Founder and Chief Executive Officer, Vowels Lifesciences, India
- **Will Liao**, Partner, Kinding Partners, Hong Kong SAR

Chaired by

- **Becky Wong**, Chief Executive Officer, Globex Capital Partners, Hong Kong SAR

Pioneering Learning: Asia's Educational Frontier (Room 7)

Educational paradigms across Asia are being transformed to meet the demands of an AI-driven, rapidly evolving global economy. The convergence of digital innovation with new institutional models is redefining both the skills needed for tomorrow and how they are taught. How might Asian educators prepare students for jobs that don't yet exist? What new types of educational institutions will emerge to bridge the skills-opportunity divide? How can educational systems foster both technological fluency and essential human capabilities?

- **Luis Maria R. Calingo**, President, Holy Angel University, The Philippines
- **Humphrey Chan**, Managing Director, Prometric, Hong Kong SAR
- **Emil Kaburuan**, Associated Professor, Astra Tech, Indonesia
- **Marko Kasic**, Founder, FundLife International, The Philippines
- **Michael B. Rodriguez**, Professor, Nexford University, USA
- **Akinori Seki**, Professor, Tokyo Keizai University, Japan
- **Jim Yuan**, Co-founder and Partner, Joyview, The Philippines

Chaired by

- **Christian Wolfrum**, Deputy President and Provost, Nanyang Technological University, Singapore

16.00 - 16.30 Break

16.30 - 18.00 Dialogue Sessions

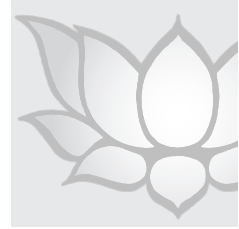

Investing in Asia's Next Technology Frontiers (Room 3)

Beyond artificial intelligence, Asia is advancing rapidly across a wide range of transformative technologies, including semiconductors, biotech, clean energy systems, and advanced manufacturing. Governments, corporations, and investors are actively shaping strategic technology ecosystems to strengthen competitiveness and resilience. Which technology sectors in Asia offer the most compelling long-term investment opportunities? How can public policy, capital markets, and corporate partnerships work together to accelerate sustainable innovation across the region?

- **CK Choun**, Managing Director, Integral GlobalTech Partners, Japan
- **Vitor Crespo**, Co-founder and Chief Executive Officer, Criad, Portugal
- **Kai Dai**, Chief Financial Officer, UNIUBI AI, China
- **Stan Fung**, Managing Director, FarSight Ventures, USA
- **David Lee**, Co-founder and Co-Chief Executive Officer, WealthRyse, Hong Kong SAR
- **Srini Vasan**, President and Chief Executive Officer, Quantum Ventura Inc, USA
- **James Zhang**, Partner, VU Venture Partners, Hong Kong SAR

Chaired by

- **Michael Pan**, Chief Executive, China Ventures, United Kingdom

Asia 2076: Eastern Wisdom, New Productive Forces (Room 4)

By 2076, Asia will have undergone a civilizational transformation – forging a unique synthesis of ancient wisdom and new productive forces that redefines what prosperity, harmony, and progress mean for humanity. The region’s innovation ecosystems, ecological civilization frameworks, and human-centered urban models will have generated solutions of global relevance, born from Asia’s unparalleled depth of cultural intelligence and technological ambition. How will Asia’s metropolitan corridors and new economic zones emerge as the world’s leading laboratories for harmonious, technology-enabled societies? And what can the world learn from Asia’s long-termist vision of development – one that balances ecological civilization, collective well-being, and the full flowering of human potential?

- **Ge Ming**, Advisor and Former Chairman, China Mergers & Acquisition Association, China
- **Henry Hengka Ji**, Partner, Zhong Lun Law Firm, Hong Kong SAR
- **Anna Lee**, Founder, HGSW Technology, China
- **Mabel Lu Miao**, Co-founder and Secretary-General, Center for China and Globalization, China
- **Daniele Schilirò**, Professor of Economics, University of Messina, Italy
- **Yan Weihong**, Chief Executive Director, The World Association for Chinese Studies, USA
- **Zhang Ran**, Assistant Professor, Durham University, United Kingdom

Chaired by

- **Ha My Tran**, Principal Partner, Vietnam International Financial Center, Vietnam

Creative Asia: The Next Cultural Force (Room 5)

Asia’s creative industries are experiencing remarkable growth, driven by technological innovation and cultural dynamism. The region’s unique cultural heritage and digital capabilities are creating new paradigms for creative expression. How might Asian creative industries influence global cultural trends? What role can digital platforms play in creative industry development? How should intellectual property frameworks evolve to support creative innovation?

- **Pietro Borsano**, Associate Professor, XJTLU Syntegrative Education Center, Thailand
- **Jarvovs Chen**, Managing Director, Sinda Corporation, United Kingdom
- **Julia Finkeissen**, Managing Director, Vioventi Art, Austria
- **Kevin Harrison**, Founder and Chief Executive Officer, BGI Capital Partners, United Kingdom
- **Olivia Lee**, Founder, LIVVIUM, Hong Kong SAR
- **Otávio Mazieiro**, Partner, Bottini & Tamasauskas, Brazil

Chaired by

- **Cristie Zhao**, Founder & Managing Director, RÉSO, China

Legacy and Leadership of Asian Family Enterprises (Room 6)

Rooted in deep cultural traditions, Asian family enterprises remain pillars of economic growth across the region. These businesses are not only navigating the challenges of technological disruption and generational transitions but are also redefining governance and innovation. How do these enterprises uphold their heritage while fostering resilience? What unique strengths do next-generation leaders bring to the table? And how can they harmonize tradition with the demands of a rapidly changing global landscape?

- **Alisher A. Djumanov**, Founder and Managing Partner, AD Wealth, UAE
- **Fabian Tan**, Managing Director, Asia Bridge Connections, Singapore
- **The Fei Ming**, Managing Partner, Global Private Equity, Indonesia
- **Dephy Oon**, Founder & Principal Advisor, NEXARA Edge, Malaysia
- **Catherine Shiang**, Managing Director, ACA, Hong Kong
- **Akira Tsuchiya**, President, The Global Institute (TGI), Japan
- **Kenny Tung**, Founder, In-Gear Legalytics, China

Chaired by

- **Andrew Lo**, China Advisory Group Member, University of Oxford, Hong Kong SAR

Asia's Manufacturing Metamorphosis: Engineering Tomorrow (Room 7)

Asian manufacturing is evolving rapidly, driven by automation, Internet of Things (IoT) integration, and sustainability imperatives. The convergence of smart factories, digital networks, and sustainable practices is creating new paradigms for industrial production across the continent. How will technological innovation reshape Asian manufacturing competitiveness? What role might distributed manufacturing and IoT ecosystems play in future production systems? How can sustainability initiatives enhance manufacturing value creation?

- **Adhiraj Banerjee**, Founder, Open Delta, India
- **Margareta Drzeniek**, Managing Partner, Horizon Group, Switzerland
- **Doruk Keser**, VP Digital Marketplaces, AD Ports Group, China
- **Ilídio de Ayala Serôdio**, Group President, PCG Profabril Consulplano Group, Portugal
- **Lusy Widowati**, Founder and Chief Executive Officer, PT Imega Tiga Daun Indonesia
- **Zhou Yi**, Co-founder, MarvelTec, Singapore

Chaired by

- **Wolfgang Lehmacher**, Operating Partner, Anchor Group, France

18.00-19.00 Closing Plenary: Charting Asia's Path Forward (MuHe Room)

As the Horasis Asia Meeting concludes, participants reflect on key insights and strategic priorities for regional advancement. The convergence of innovation, sustainability, and economic transformation highlights Asia's potential for global leadership. How can insights from the summit drive actionable strategies, strengthen regional cooperation, and sustain the momentum for transformative change?

- **Anson Chan**, Chairman and Managing Director, Bonds Group of Companies, Hong Kong
- **Skeikh Abdulla Zayed bin Saqr Al Nayhan**, Chairman, Abdulla Bin Zayed Investment Group, UAE
- **Charles Tang**, President, Brazil China Chamber of Commerce, Brazil
- **Wang Dong**, Executive Director, Institute for Global Cooperation and Understanding, China

Chaired by

- **Alejandro Reyes**, Senior Fellow, University of Hong Kong, Hong Kong

19.00-21.30 Closing Dinner: Celebrating Asia's Connections and Horizons (Tianmu Room)

The closing dinner in Hengqin marks the conclusion of two days of dialogue on Asia's evolving economic, cultural, and strategic landscape. The evening celebrates the diverse connections forged during the meeting and reflects on how emerging economic zones such as Hengqin can help shape Asia's next phase of growth, partnership, and global engagement. Participants will look ahead to new opportunities for cooperation across Asia and beyond while strengthening the relationships formed throughout the summit.

Friday, 10 July 2026

09.00-09.45 **Bus Transfer** (gather at 08.50 in front of Hotel Indigo)

Transfer to the Hotel The Londoner Macau, Estrada do Istmo, Cotai. Participants departing Hengqin on that day are welcome to bring their luggage on the bus. Those who have booked accommodation at MGM Cotai may also bring their overnight luggage.

10.00-12.00 **Macau In-Focus: Investment and Cooperation Opportunities in Macau** (The Londoner Macau, Greenwich Ballroom)

Macau's strategic position within the Guangdong-Macao In-Depth Cooperation Zone makes it a compelling destination for international investment, offering unique access to Mainland China and global markets across finance, tourism, and technology. Leading entrepreneurs from Macau will join the seminar to share insights on the city's evolving business landscape and explore concrete opportunities for cooperation with the international community. Open to all participants of the Horasis Asia Meeting, the seminar offers a focused platform for dialogue, deal-making, and the forging of lasting partnerships with Macau-based enterprises.

- **Kevin Ho**, Vice President, Macau Chamber of Commerce, Macau SAR
- **Che Weng Keong**, President, Macau Trade and Investment Promotion Institute (IPIM), Macau SAR
- **Chan Chou Weng**, Deputy Director, Macau Economic & Technological Development Bureau, Macau SAR
- **Jun Liu**, Rector, City University of Macau, Macau SAR

Chaired by

- **Linda Hu**, President China, AIESEC Alumni Association, China

Followed by panel discussion with:

- **Echo Chan**, Chairman, Macau European Chamber of Commerce, Macau SAR
- **Constantino Mousinho**, General Manager, Banco Comercial Português, Macau SAR
- **Antonio Trindade**, President and Chief Executive Officer, CESL Asia, Macau SAR
- **Jeffrey Wong**, Founder and Chief Executive Officer, Spring Gate Capital, Singapore

Chaired by

- **José Carlos Matias**, Chief Executive Officer, Macau Business, Macau SAR

Closing Remarks

- **Wilfred Wong Ying-wai**, Executive Vice Chairman & Executive Director, Sands China, Macau SAR
- **Frank-Jürgen Richter**, Chairman, Horasis, Switzerland

12.00-14.00 Lunch (The Londoner Macau, Greenwich Ballroom)

Participants gather for lunch at The Londoner Macau, one of the crown jewels of Cotai's world-class integrated resort landscape. Hosted by Sands China, the lunch offers an opportunity to connect and forge partnerships in a spectacular setting.

14.00-15.30 Afternoon at Leisure

Participants are welcome to stroll through The Londoner Macau and crossing to The Venetian Macau, with its famous Grand Canal, boutiques, and entertainment offerings. Buses wait in front of The Londoner Macau

15.30-16.00 Transfer to MGM Macau, Avenida Dr. Sun Yat-Sen

16.00-17.00 Poly MGM Museum Tour (MGM Macau)

A private tour at Poly MGM Museum – a world-class cultural tourism landmark at the forefront of Asia – where East meets West and the past inspires the present. Discover the splendor of Chinese intangible cultural heritage through a vivid multisensory journey that seamlessly weaves tradition, culture, innovation, and cutting-edge technology.

17.00-17.30 Transfer to MGM Cotai, Alameda Dr. Carlos d'Assumpção

17.30-19.00 Dinner (MGM Cotai)

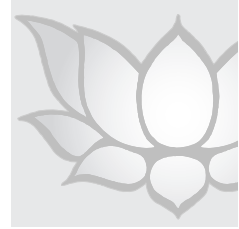

Hosted by MGM, dinner takes place at MGM Cotai, one of Macau's most architecturally iconic landmarks. The resort's striking design and world-class hospitality provide a memorable setting for participants to gather ahead of the evening's finale.

19.30-20.50 Show "Macau 2049" (MGM Cotai)

Experience "Macau 2049" at MGM Theater, a groundbreaking high-tech show that combines futuristic innovation with the timeless beauty of Chinese cultural heritage and live performances. Directed by legendary Chinese filmmaker Zhang Yimou, this 80-minute residency is the first of its kind at MGM Theater.

From 21.00 As the show concludes, participants collect their luggage from the coaches and make their own way onwards. Transfers back to Hengqin are available for those continuing their stay there. Participants who have booked at MGM Cotai can proceed directly to check-in and enjoy the resort for the rest of the evening.
